

The diagram illustrates the relationship between bleed and cutting areas on a page. It features a background split diagonally from the bottom-left to the top-right. The upper-left portion is a lighter orange, representing the bleed area, while the lower-right portion is a darker orange, representing the cutting area. Two vertical white bars are positioned on the left side, and a white rectangular box is located in the lower-right quadrant. Two text boxes are placed in the center-right area, one above the other.
